Josef Newgarden has won 11 races and two NTT INDYCAR SERIES championships (2017 and 2019) in just three years with Team Penske and plans to continue building on his already storied career in 2020. In addition, the 29-year-old American driver has recorded more wins than any driver in the NTT INDYCAR SERIES (11) since 2017 and has produced top-five finishes in championship standings for three seasons in a row. Newgarden captured the series title in his first year with Team Penske behind four wins and nine podium finishes in 2017. Between the 2018 and 2019 seasons, Newgarden brought his career number of poles to eight, his career podiums to 29 and wins to 14. As he begins his ninth season in the series in 2020, Newgarden looks to guide his No. 1 XPEL Team Penske Dallara/Chevrolet to another NTT INDYCAR SERIES title and his first Indianapolis 500 victory. He resides in Nashville, Tenn. with his wife Ashley.
