BRAD KESELOWSKI

Since 2012 Würth has been a proud partner of Team Penske and 2012 NASCAR Champion, Brad Keselowski. In fact, Würth is celebrating their 10th Anniversary this season!

In a decade of family, passion, and performance Würth and Brad have enjoyed two trips to victory lane together at Fontana in 2015 and Kansas in 2019. This year Brad will be behind the No. 2 Würth Ford Mustang at Phoenix in March, Dover in May, and Charlotte in September.

What makes the relationship with Würth and Team Penske unique is Würth is more than a brand logo on the No. 2 Ford Mustang. Würth is a value-added partner. From providing inventory management solutions like vending at Team Penske's headquarters, to organizational systems at Penske dealerships - Würth helps power Team Penske's success on the track and in business!
