Josef Newgarden has established himself as one of the true stars of the NTT INDYCAR SERIES as he has produced 15 victories and a pair of series championships since he joined Team Penske in 2017. Newgarden captured the series title in his first year with the team and he earned his second championship just two years later in 2019. Last season, the popular American racer nearly secured his third title as he tied for the series-most wins with four, including a dramatic victory in the season finale on the Streets of St. Petersburg that brought the team within just a few points of earning back-to-back championships.

In addition to the four wins, Newgarden recorded six podium finishes and won three poles in 2020. Throughout his nine-year NTT INDYCAR SERIES career, the native of Hendersonville, Tenn., has produced 18 victories, 35 podium finishes and 11 poles in total. Newgarden will look to add to those numbers and fight for a third series title in 2021 racing the No. 2 XPEL Dallara/Chevrolet. He resides in Nashville, Tennessee with his wife Ashley.
